

STANDARDSMARK LICENCE

SAI Global hereby grants

Nungwon Metal Ind. Co., Ltd. (NWM)

366 Geurugogae-ro, Eunhyeon-Myeon, Yangju-si, Gyeonggi-do province, Republic of Korea

StandardsMark Licence

Manufactured to:

BS EN 13348:2016 - Copper And Copper Alloys - Seamless, Round Copper Tubes For Medical Gases Or Vacuum

“the Licensee” the right to use the STANDARDSMARK as shown above only in respect of the goods described and detailed in the Schedule which are produced by the Licensee or on behalf of the Licensee* and which comply with the appropriate Standard referred to below as from time to time amended. The Licence is granted subject to the rules governing the use of the STANDARDSMARK and the Terms and Conditions for certification and licence. The Licensee covenants to comply with all the Rules and Terms and Conditions. “the Licensee” the right to use the WATERMARK as shown above only in respect of the goods described and detailed in the Schedule which are produced by the Licensee and which comply with the appropriate Standard referred to below as from time to time amended. The Licence is granted subject to the rules governing the use of the WATERMARK and the Terms and Conditions for certification and licence. The Licensee covenants to comply with all the Rules and Terms and Conditions. SAI Global grants to the certificate holder the right to apply the above certification trade mark to the goods herein described which conform with the Standard or specification referred to below as from time to time amended. SAI Global Certification Services Pty Limited (A.C.N 108 716 669) (“SAI Global”) has examined a sample of the product model(s) listed below and related documentation and certifies that the sample complied with the Standard or Specification below.

Certificate No: SMK40402

Issued: 20 October 2023
Expires: 18 February 2026

Originally Certified: 19 February 2016
Current Certification: 20 October 2023

Calin Moldovean
President, Business Assurance
